### Description

**2025 Nexus Wraith 37F Freightliner Diesel Super C RV**  
**M.S.R.P. \$306,967 - Lowest New Super C on the market.**

**This Freightliner S2RV chassis is equipped with a 340HP Cummins diesel engine & is approximately 37ft long. Options on this RV include the convection microwave, outside entertainment center, glass shower door, roof ladder, additional solar panel, theater seats and wraith value package & one of a kind CUSTOM PAINT package.**

The **Wraith Value Package** options includes air driver & passenger seats, water filtration system throughout, heated & remote mirrors, fiberglass roof, high strength low allow steel frame throughout, HVAC metal ducting and outside shower, outside shower and composite substrate in walls and roof. Additional features include heated and enclosed holding tanks, interior entry door handle, fully automatic hydraulic leveling jacks, upgraded flooring and "plug and play" electrical harnesses throughout the coach making the electrical system more dependable.

The **Wraith boast an all STEEL cage construction** instead of the normal aluminum framed construction found in the competition. **Steel cage construction is 72% stronger than aluminum** and is only common place is RVs such as the Foretravel Realm or a Prevost bus conversion. Construction highlights such as 2 layers of Azdel substrate in the sidewalls & roof! **The Azdel product provides 3X the insulation value of wood & is 50% lighter** and because it is not a wood material harvested from the rain forest it is both greener and provides a less than 1% chance of retaining any moisture that could ever lead to wall separation or mold. It is also formaldehyde free, impact resistant and a sound absorbing material creating a much quieter Space. **The construction of the Nexus RV far exceeds the industry norm.** Safety and Customer Satisfaction are the 3 cornerstones found in every Nexus RV.
